Cancellation of confirmed tickets
For a confirmed ticket cancelled more than 72 hours before the scheduled departure of the train, only the minimum flat cancellation charge per passenger applies. For a confirmed ticket cancelled between 72 hours and 24 hours before the scheduled departure, 25% of the fare is charged. For a confirmed ticket cancelled between 24 hours and 8 hours before the scheduled departure, 50% of the fare is charged and 50% is refunded. For a confirmed ticket cancelled less than 8 hours before the scheduled departure, no refund is given.
